Sig came to people's lives like a ray of sunshine. Always elegantly dressed, she was a bright, caring, thoughtful person and was always there when we needed her. We will remember Sig for her love of travel and appreciation of beautiful things.

But most of all, we will remember her for the way she taught us how to live life to the full, and to have compassion for the less fortunate.

Sig, thank you for your friendship. We miss you dearly.

My sincere condolences to Andrew and his family. Our hearts are with you at this difficult time.

交集。與她共事多年，經常在書桌旁邊聽到她通通電話給病人耐心解答疑難及給予心靈上的撫慰。遺我我不惜撰寫杏林話語傳遞抗癌的訊息。十多年來受惠者多不勝數。她這種博愛的精神令我深感敬佩。奈何斯人已渺，留下的是：難過、失落和永遠的、美好的回憶。

Mum, you made me who I am today. You forged me with your love and care. You're the only one who understands me completely, because you thought about my well-being every day since the day you brought me into this world. You sowed the seeds of happiness in me, and so shall I always be happy. What more could a son want?

“ Dear friend of more than six decades,it is so sad to see you go. You had touched so many lives while serving in Cancer Council and CanRevive. You had many blessings- your two sons whom you were so proud of, the three gorgeous grandchildren whom brought you so much joy and the numerous friends, both here and overseas. They were what you valued most .You had lived life to the full. Rest in peace, Kwok Sig. We will miss you dearly. Some day we'll meet again in Heaven.

On 18 May 2015, in Palm Beach, she said - I'm 75 years old and I've never climbed any playground equipment. Well, Mum, now you have! You were the best mother anyone could ever hope for. I'll miss your words of comfort and hope, but I'll never forget them.*

“*Sig had touched many lives through her years of counselling and support as a volunteer with Cancer Council NSW and CanRevive. She will be dearly missed. But memory of her will live on. Jesus once said " I am the resurrection and the life He who believes in me will live, even though he dies , and whoever lives and believe in me will never die."*

May we find comfort in the love and peace of God.

“ *My first impression of Sig was her ready smile, her passion for dancing and her ability to crack jokes at her own expense, putting people at ease immediately.*

As a volunteer at CanRevive, Sig was attentive, perceptive and empathic in providing phone support to those newly diagnosed with cancer. Her solid medical knowledge, her wisdom and the gentle way in which she responded to people in distress endeared her to everyone, patients and volunteers alike.

Sig inspired us all with her exuberant manner, her caring ways, her heart-warming friendship, her grace, her charm, her positive attitude towards life - to live life to the full and take each day as a bonus!

True to her words, that's how Sig lived her life.

We will miss you dearly, Sig, but your spirit will live forever in our hearts!

*You are beautiful, Kwok Sig, both in appearance and in personality. I got to know you teaching you about computers but in return you taught me much more. You were my mentor when I started volunteering, my elder sister in your kindness, (always made sure I had plenty to eat in yumcha). I particularly value your advice in where you excel (medicine) and above all, your no-compromise attitude to what you see is wrong, and tireless efforts to set them right.
Rest in peace, my dear friend. You made a difference!*

Dear Sig,

You had dreamed about publishing your medical articles "Answers on Cancer". Your dream is coming true. The book titled "Dance of Life" will be published soon. Your words will continue to touch many, many people.

For the past eight months, we had worked so closely together by assembling and editing your articles. We had a great time and I gained a deeper understanding of you. You were always true to yourself, intelligent, humble, caring and thoughtful.

Now you had finished your beautiful dance, but the beautiful tune of music will never end.

Sig, thank you so much for being in my life!
