“ *It has always been a joy to see you in church with a smiling face and a gentle heart. Although we are like some young kids running around, you always take the time to care for us, you also care for Christine and Charis. It has been a tough few years, but we know you are now in a better place with Jesus. You will be sorely missed.*

“ *Dear Peter, Aster, Vivian & Caroline,*

So sorry to hear the heartbreaking news of the passing of Auntie Cheung. I always cherish and fond of the time when I "camped" over in your home during my school days with Caroline. Her hospitality and kindness always touched me. It was her that made my friendship with Caroline maintained up till now.

It is definitely painful to lose her (my mum had gone ahead of her 3 years ago with the Lord when she was 88). But one thing for sure is that she is with the Lord and we will see her in the big celebration in Heaven. The most comforted and celebrated fact is she and Uncle Cheung are in the Kingdom of God. They knew Jesus and they loved Him. Auntie lived her life to the fullness and fulfil God's destiny had for her.

Whenever we miss her think of her goodness and her enduring spirit will inspire and spur us on. Please accept my sincere condolence to all of you.

Shalom
