“ *My darling Auntie Nelly
How I adored you. I will never forget your
warmth and concern for me and my brother.
You have been like a mother to us.
Your wisdom, frankness and humour always
delighted me. I am so fortunate to have had you in my life. I will
treasure the memories and I miss you sorely.
I don't know what lies beyond this realm. If there are such things as
souls, yours is now unfettered by the confines of the physical and
free to continue its journey.
Peace and love always,
Your niece, Catherine xoxox*

“ My dearest Godmother, you have gone through a great journey in your life and I missed all the time with you in Hong Kong, bringing love and care to me and my whole family. I enjoyed playing traditional marble chess with you. We went “yam cha” in Chinese restaurant 1.5-2 hours frequently which was a norm. All the past memories flash back to my mine. Really miss you! I’m sure you will have an even brighter journey to go. Thanks god to have you as my godmother! All the best!!
