“ I am saddened to hear of Uncle's passing, and give my sympathies to his family during this difficult time.

*I will always remember his generosity and patience. And am thankful of the memories when he and Aunty looked after my brother and I as children. He was always looking out for us, and made sure we got the very best.*

*Uncle was always respected, for his wisdom as a doctor, father or mentor, which showed whenever we went out. I remember he was always greeted by many people thanking him for his help and advice!*

*My thoughts are with Aunty, Chris jeje, Raymond and John gogo, and their families.*

*Rest in peace.*

“ *I am extremely sorry to hear this news and sorry for the loss for this most generous man and family. He is such an inspiring person and has inspired and helped so many people and does not ask for anything in return. His kindest personality and willing to help others will always be an inspiration and influence to me. Your teaching and believe will always stay in our minds and surely will past on generations. It's terrible to hear about your loss and I extend my deepest condolences to you and your family. My prayers are with you and family.*
