“ *I was so saddened to hear of Brian's passing, and it must be such an awful time for you all. Please know that to work with Brian was to work with someone who was gentle, conscientious, helpful and often humourous. I will continue to think of Brian with much affection and keep you all in my thoughts and prayers.*

“ *Dear family of Brian,*

I would just like to let you know how Brian has made a lasting impression on me with his quiet sympathetic smart helpful presence. I will very much miss having him around at Baseplan.

As much as it has shocked me, this must be a hundred times worse for you, and I wish you strength dealing with this great loss.
