“ Dear Sister chuen wong and her family,

*-May God bring comfort and peace to every one in this family. Be with them and push away their pain. (Vivian)*

*-Though I haven't met Auntie, I know she was a religious Christian as Ping told me, and I can tell from her picture that she is an optimistic and joyful mother. I believe she is living in heaven now in peace. May Lord provide countless blessings to the family. (Fanny)*

*-From what I heard from Ping, Auntie was a true God's follower who was not afraid of her suffering and put everything in God's hands with faith. Auntie was a loving mother and I can feel there is great peace in this family. May auntie's faith transform more people and God's protection surround the whole family as always. Amen. (Miu)*

*-Auntie, good bye for now. May God give his true peace unto your children . Knowing that you are now singing songs in the heaven, I have confidence that your beloved will have their smiles back again. (Wandy)*

*-even though we are one day further from the last time we saw, we are one day closer to the next time we will. (Ha)*

*-Because someone you love is in heaven, there is a little bit of HEAVEN at your home*

*-Twinkle, twinkle little star, up in heaven is where you are, flying high and twinkling bright, my guiding star, my shining light, twinkle twinkle little star, my perfect angel is what you are.*

*-God looked around His garden and found an empty space. Then He looked down upon this earth and saw your tired face. He put His arms around you and lifted you to rest. God's garden must be beautiful He only takes the best.*

*-Goodbyes are not forever. Goodbyes are not the end. They simply mean Ill miss you, until we meet again!*

*-God has you in his arm and your beloved ones have you in their hearts*

*Love,  
Wandy group*

*Jesus said unto her, I am the resurrection, and the life: he that believeth on me, though he die, yet shall he live.*
