“ I'm so sorry (and shocked) to hear about the passing away of Claudine. I want to offer my sincere condolences to her family and friends. Back in 2006/7, Claudine was one of my team leaders in the CIS team at Westpac. She was a dedicated worker who never sought praise or attention. She was content to do the best job that she could. The project we worked on together was very stressful and I could always rely on her to do her part to ensure our IT Release was successfully delivered. Again sorry for your loss.....Rob Paisley
