“ It was an absolute pleasure working with Elisa for 17 years in the MacShop at Macquarie University.  
I think anyone that knew Elisa would say what a beautiful, kind giving woman she was with such a lovely nature.  
Elisa would come to work smiling buzzing around and helping anyway she could. We would say to her, Elisa stop for a while, but that was just her.  
Outside work the MacShop crew would get together for dinners and celebrations. It was always a fun time.

The group of us in the picture were known as the MacShop mums. Pina, Kalpana, Sharon, myself and Elisa. Good times and laughs were spent over Elisa's love of yum cha.

My love and thoughts are with her family.  
Peace now.

“ *Elisa was an incredible human and I am so happy to have had the joy of working with her at Macquarie University. Anyone that has met her can count themselves lucky to have crossed paths with someone filled with such courage and humility.*

*I will always remember how Elisa would be insistent on taking any boxes that I may be carrying off me despite her diminutive stature. Always smiling, always caring about those around her.*

*She fought her battle bravely, now may she rest in absolute peace*

“ *Elisa was an amazing woman of great strength and character. Her willingness to do any task and do it with diligence was both a blessing and such an honour to be a part of her working life. She was well loved and well adored by all of us at Macquarie University shop which speaks to her beautiful heart and nature. I thank God for the privilege of knowing her and having her as a part of my life for the 5 years I worked with her.*

*My heartfelt prayers and condolences to the family at this time.*
