“ It is shock and miserable to learn Elvina had left us last year. She is always young, beautiful and energetic girl in my memory. We had lost contact for some 30 years when she migrated for Australia. Sleepless last night, I wandered aimlessly in my old memory and I tried to search her in the internet. Shocked, I find this. Wish her rest in peace in heaven!

“ Elvina has a beautiful heart. She was intelligent, enthusiastic and very capable. I was lucky to have Elvina around to help and accompany during my stay in Sydney. Words cannot express how grateful I was. She is not only a relative but also a good friend.

*Dear Elvina, guess you will explore here and there in heaven, like you did and enjoyed on earth. You will be sorely missed. RIP.*

“ *Elvina was one of the kindness but thoughtful and selfless people I had ever met. She had a genuine care for people at the same time as being amazing at her job. We worked together for many years at EY and used to keep in touch regularly for lunch. Elvina was so considerate and caring. I will miss her greatly. My best wishes and condolences to her family for their loss. She was one of a kind.*

“ *My deepest sympathy to Elvina's family, I am so sorry for your loss. At EY Elvina was very hard working, but always made time to assist other EA's and was always professional and quite social, we shared lots of fun times at work and also out of work, definitely a life lost too soon. RIP Elvina.*

“ After returning home from many years overseas, Elvina was one of the first people to help me get used to work life back in Australia. She was generous with her time, always happy to help whatever the ask and shared a beautiful smile whenever I spoke with her. We quickly developed a friendship with many fond memories and I am eternally grateful that she could be part of my life. Rest In Peace.

“ Elvina left Ernst & Young in July 2017 and was a much loved member of the EY team. I have received many messages that convey deep sadness at her passing. Most did not know of her battle.

*I hope her beloved family find some comfort in knowing that she was loved and respected by her friends and colleagues at EY. She was professional, kind and had a sense of fun and a big beautiful smile. She finished the race of life with bravery and dignity – just short of 60 years. Gone too soon and missed by all who have had the pleasure of working with her and getting to know her.*

*May she rest in peace.*
