“ *So many wonderful memories, it's hard to pick the most meaningful. Mrs Wong's quiet charm, grace & elegance, how warm & welcoming she was, her big smile & laugh, the amazing banquets she made with such seeming ease that opened up a whole new world when we became part of the extended family so many years ago, falling asleep after the family Christmases, the great head massages that got rid of the worst headaches. Her pride & joy of her family was always so obvious as was her kindness and the humble way she approached things. She taught us all so much that will always live on, it has been a privilege to have known her and to have had her as part of our lives, she will leave a huge gap in many of us but she will always live on in our hearts & memories. With all our love Margot & Michael*

Dear Margot, & Michael, thank you for such evocative memories of our mother. Likewise I have so many wonderful memories not only of Mum, but of Eng and Bertie, your mother, together as they were such great friends. They used to laugh a lot together. And all the times enjoyed with your Austrian Aunts- Aunty Elsie, Aunty Heidi and Aunty Mary. Such fantastic remembrances.
