“ I am lucky enough to have worked alongside Freda at Clicks for 5 years. She was a knowledgeable, friendly and wise colleague, who supported me through some tough times and celebrated with some wins!

Freda always got involved with team events, in particular Clicks annual Christmas party, with obligatory dress-up!

RIP Dear Freda.

“ 我们全然信靠的上帝，願賜 **Freda** 平安 安息，繼續看顧 **Freda** 至愛的兩個女兒！

Freda, 我們相識於1981年, **Octocrest** 同事，一段短時間, 我們一班舊同事，各自走上自己人生旅程於不同城市，一直以來只要有機會，我們返香港都會聚一聚，1992年，**Freda** 帶著兩個可愛的女兒到 **Vancouver** 渡假，兩個小女孩跟我家的兩個小男孩開心的玩了一天，2017年，我到**Sydney** 渡假，感謝**Freda** 收留我，一個難忘假期，全賴**Freda** 熱情款待，難得有機會促膝談心. 2019年，**Freda** 來 **Canada** 渡假，到**Vancouver**, 我們一起喝茶拍照，這也是我們最後的一次會面.

Freda, 我們會有機會在天堂上再促膝談心, 永遠懷念你！

Freda was a fighter, she would not let the disease to beat her... She went with us (with a nurse among us) to Lincoln's Rock & stay 1 night in Fairmont Resort when later she told us her Hb was only 6.9 🙏🙏

“ 「那美好的仗我已經打過了，當跑的路我已經跑盡了，所信的道我已經守住了。」 (提摩太後書 4:7)

... I have fought a good fight, I have finished my course, I have kept the faith (2 Timothy 4:7)

So proud of you Freda, you had done it all so well bringing glory to God 👍👍👍👍👍👍

From Day1 being announced the diagnosis on 31/7/20, you had taught us (everyone and in particularly Karen & I) how to live the best out of all uncertainties...

Freda, you had coped so well everything thrown at you (be it the stoma, the bleeding to become anaemic, the annoying pain now&then, the gradual weight loss, the frailty or even at final message that you had only weeks or days to live) with Grace and utmost EQ, showing your great courage & strong faith in God's protection... We never hear any whinge or complaint from you... but always your cheerful conversation, 'I have no regrets, I have lived a blessed life being able to bring up two decent wonderful daughters shaping them with great independence and insightful reasoning at life... I am okay if I die, I have no worries but to come home with Jesus on my side.'

It's my privilege to know you Freda since St. Mark in the Sunday School... and stand by you this year with Karen (and you the 3-sisters) every now and then at your break week from chemo tempting you with yumcha, lobster meal, movies & short trip to Entrance, Bayview Park & Blue Mt... Karen & I will continue to go out though we will miss you very very much... No worries we will surely meet up with Jacaranda blanket on us one day in Heaven 🤝

暫別了Freda姊妹，願您安睡主懷，永嚙天家的福樂 🕊️🕊️🕊️🕊️🕊️🕊️

“ I have known Freda since 2001 as we worked in the same company. She was a hard working, very helpful and it was so joyful to work with her. We became close friends and always kept in touch after she immigrated to Sydney.

She was so energetic, kind, optimistic and full of laughter. It was heartbreaking to lose my dear friend. I will always miss Freda.

Deepest condolences to Ruby and Tracy

Freda, 這是我在新年的第一天收到你在Whatsapp 的回覆,誰也想不到亦是最後一次的通訊

自從在聖馬可堂與你分別後,我們各自在不同教會聚會,直至去年五,六月得悉你身體抱恙,我們又重聚了,在這短短數月中,我們察覺你十分特別,沒有半點埋怨,面上總掛著笑容,時常感恩,體力充沛時四處品嚐美食,處事週詳,無論大小事都安排妥善. 家訪時室內物品擺設有條,一塵不染!

Freda,你雖然早過我們平安抵步,你卻留下美好的榜樣,你的堅毅,從不放棄的心態,積極面對困難,全然信靠上帝,交托後心入面便有平安,一無掛慮! 值得我們學效!

“ I had known Ching since High School. We were the perfect partners responsible for many mischievous incidents in school. After we left high school, we were never in the same place together -- she was in UK and then Hong Kong while I was in Australia, and just before she moved to Australia, I moved to the United States. However, we kept in contact at least once a year, uninterrupted.

We met a few times in Hong Kong and Sydney. The last time we met, we went to an Alaska cruise for 7 days. That was the best memory ever. We talked every night till late, and yes, we never ran out of things to talk about. Being around Ching just made you happy. She had this positive vibe and nothing ever worried her.

In the cruise, she came first in a Sudoku competition, and she taught me a few tricks about how to solve certain puzzles. I have been practicing and am very good now. I was going to beat her when we next meet, but I guess I just have to wait till we meet again.

Ching, I really miss you so much, but I am also grateful that I had the pleasure of spending quality time with you. I will remember our good times together forever.

“ I know Freda for many years, since she migrated to Sydney and C&W gatherings started. Her gregarious, full of energy personality catches our attention. Her conversation and laughter brings joy to people around her. Freda is warmhearted, hopeful and faithful, her positive attitude to life is a great example for others. She’s a great soul that will bring us together again and again.

We recall colours seem brighter when she’s around. She will never be forgotten and will live on in our hearts.

“ My first impression of Freda some 30 years ago was a knowledgeable yet humble young lady, very easy to work with. I am glad she made it to Sydney adding tremendous fun and laughter to our social group. There might be tears behind those laughs but she only shared her joy with us, her tough and brave personality is why she was able to turn setbacks into motivation, used them to travel and visit friends all over the world, including attend funeral at overseas. She is such an helpful colleague, a loving caring friend and an inspiring role model in God's family, I will miss her deeply, may Freda rest in peace and my sincere condolences to Ruby and Tracy!

“ Ruby and Tracy, with deepest sympathy on the loss of your beloved mother.

I have known Freda in 1980 and worked in the same company for a while. She came to Australia with her daughters in 2003. We worked in the city but not the same company for several years. We had chats during lunch break. She worked hard but never complained about her work, or to anyone. Freda will be greatly loved, respected and admired.

May her soul rest in eternal peace.

“ I have the privilege of knowing Freda personally and becoming her sister in Christ ever since I sat next to her each Sunday during church service many years ago. I am blessed to have known Freda and grateful for God to place us together to become sisters in Christ. Over the years Freda had always been a supportive friend and someone who always stand by your side with love and care. She stood by me like a mother to a child who is always there to listen and help. She always used her words to encourage and strengthen others. Not only she was a woman of strong faith but also of great courage. She was a true fighter. She carried herself with 'strength and stillness' regardless of what life throws at her. And I am truly inspired by her integrity and positivity. It is with deep sadness to lose Freda and I believe we each hold a special place for her in our hearts. May God take care of Freda in heaven. May God comforts Tracy and Ruby for their loss of their beloved mother.

“ I know Freda since Jr High @ SSGC but get to know her a lot more when I moved to Sydney in 2015. We made a point to meet up periodically to catch up and I always enjoyed the great conversation with her over lunch or dinner. Freda was kind, generous and the most positive person I've known. Her courageous fight towards cancer had inspired me in many ways throughout the past year - yes, she had never complained and always put a positive outlook to any situation. Freda, I am going to miss you a lot. Rest in peace my dear friend.

Since you got cancer two years ago, you have shown yourself a true fighter throughout the journey of cancer treatment. You remained positive and has never complained, no matter how hard the life was.

Freda, you are a good friend of mine. God will bless you! Rest in peace! 🙏🙏
