“ *Freddy was a dear friend to me, my parents and our whole family while living in HK. He was humorous and whitty. He was also very fit physically. One of my fondness memories is when he took me hiking from Kowloon Tong to Shatin, hiking over the Lion Rock mountain. If I recall correctly it was a 6 hr hike. He will be missed.*

“ *I first became acquainted with Freddy some 40 years ago. He was such an affable, modest, likeable and easy going person. Our friendship then developed until we emigrated to different countries and even after that we kept in touch with each other. Life on earth is merely transient. Freddy is, no doubt, resting in eternal peace and happiness in God's Kingdom. He will be sadly missed by one and all especially his widow Catherine and beloved children Fiona and Derek.*

“ Dear Uncle Freddy,

I am saddened by your departure of this earthly life. However, my memories of you are very strong and I am grateful that you were a part of our family's lives.

You were practically an 'Uncle' I could joke around, have a good meal, and discuss many things in life. From your childhood connection to our family, The Bugo's, I am grateful for your presence in our lives. I will in particular be fond of your beautiful butter chicken recipe, and will remember the love and effort you put into anything you do.

You are loved and remembered by us all! And I will continue to cherish and maintain this friendship for years to come; something which you helped build and forge.

Be at rest Uncle Freddy, for a peaceful afterlife so deserving.

*My deepest sympathy to Catherine Fiona Derick and the family, for their big lost. Freddy my dearest cousin. We grew up together in the same house and love each other without mentioning it. It's a great shock to me that you left for a better abode. I miss you and I love you so much. Rest in peace
Love Mona*

“ Dear Catherine, Fiona and Derek, I am so sad to learn that Fisher, as I have always called him, has left us. I remember him fondly as he was a dear part of our family while growing up in Hong Kong. After we immigrated to our different countries, his occasional communication always reflected his much he cared for all of you. He is now with my parents and uncle bito and I am sure they're having a good reunion. My deepest sympathies to you . Sending you hugs and prayers . Carolyn Tavares

“ Dear Fisher Family,

My sincere condolences for the loss of Frederick. Though I had only known him for a short period of time, I appreciate the dedication he had for his family, especially being a devoted husband to Catherine.

We pray that the Lord will be gracious and give him rest as well as peace; granting him a new body and an everlasting heavenly life of joy in the age to come.

“ Catherine, Fiona and Derek, my deepest sympathies on the death of Freddie. He was very much a part of our 'extended' family when I was growing up. To us he was always lovingly known as 'Fisher'. A real gentleman, always ready to muck in and always kind. He was devoted to his family. He is still keeping an eye on you ❤️. Marianne (Tavares)
