“ Ah Por would always be taking care of the family, whether it be when we would visit her Batu Pahat, or when she came to Australia. I remember times when we were much smaller, with less adventurous palettes, where she would cook extra food for us, or offer us drinks. She would always do these things for us with a smile on her face. Ah Por was an excellent grandmother, who was motivated to see her children and grandchildren grow up well.

I hope that in her final years, we were able to return some of the love and care that she gave us.

May Ah Por rest peacefully, knowing that we all cared for and appreciated her. Those who had her in their lives will never forget her kindness.
