“ Our Prayers Lord. Please Bless her (Julia's Mom) soul and put her amongst the richest one beside your throne. We also pray that you will continue to embrace and comfort Julia and Family 🧑🧒 to calm them and provide them with sense of relief as they move on their lives knowing that her Departed Mother is in better place and they have gone the distance in caring for her . In Jesus name , In pray. Amen. Julia, Daniel and Melissa. You all have shown so much love and care throughout Auntie's golden years. The financial support and time to make her comfy despite the challenge is such an encouraging and exemplary to many. Its been good to come to know you all and our love goes out to all of you.

Love Always JB, Hoon and Xu-Bin

“ Dear Chu Har,
I must admit that while watching the streaming live of your beloved mom's funeral services, I was overwhelmed with the loving reminisce of my childhood times wherein "this especially endearing and wonderfully nice lady" had had been so much parts and pieces of my childhood life.
Those old photos of yesteryears upsurge all my recollections of past memories of your beloved mom's generous loving warmths and gestures on me when I visited you, my buddy, lots and lots of times in your Pasir Puteh home. How I dearly miss her sadly!
Your mom will always be in my loving memories.
May she rest in peace 🙏

“ 二姨婆，慶幸幾年前第一次到到悉尼遊玩時有機緣拜訪與探望您，之後就沒有因緣再去悉尼，現在更是由於疫情的關係哪也去不了。您總是如此和藹慈祥，笑容溫暖親切。希望您一路走好，在新的地方無憂無慮。

“ My Condolences to Mrs Choo's family. Mrs Choo was fortunately to have caring and lovely children to take care of her until the end of life journey. As her GP, I am pleased her passing was peaceful without suffering, surrounded by the children although we all wish she could have stayed with us for much longer. Wish Mrs Choo has arrived at the Buddha's by now.

“ It was a great privilege to have known Mrs. Choo and family (especially Julia and Eddie) during my short months at BaptistCare Shalom Centre. Our interactions might be brief yet I am forever grateful to have witnessed the love and care that you shared. Mrs. Choo was a wonderful lady. Her smile brightened up my day. I will always remember our little chats in Thai. May her beautiful soul rest in peace.

“ Julia & Family, Raj and I are sorry to hear the loss of your beloved Mum. Please know we are thinking of you and the family during this sad time & will be praying for you all to find strength to cope with the void.

When God calls our loved ones, he always leaves behind a gift of memories in exchange and these live forever in our hearts. I am sure your Mum is looking down on you all and feeling very proud and blessed with her beautiful family. We remember seeing her in the garden some mornings after you moved opposite us. She always had a warm beaming smile for us.
May she Rest In Peace.

“ I am writing this for my mum .
My mum is saddened to hear of her friends passing . Unfortunately, She had not been able to visit her due to Covid restrictions but she had good memories of her friend. A friend that she met in The bus en-route to Cherrybrook more that 10 years ago. They both have happy times going to temple for prayer, shopping in Eastwood and to their seniors club . My mum is very appreciative to have met her and she value their friendship. It is with a heavy heart having to say Goodbye . She said “ you will always be remembered and RIP my friend “.

“ *Since we moved to Cherrybrook about 15 years ago, I had very fond memories of Aunty. I remember once we were invited to Julia's home for Chinese New Year, Aunty sat right next to me, she didn't say much but her company made me feel home. In many aspects her kind and gentle nature reminded me of my late mum. We miss you Aunty, Rest In Peace. 愿伯母一路走好，天堂安息。*

“ 小时候 婆婆 经常给我们说说事，说：
你的二姑姑啊，周岁了有足够的力气一个站起来，就直接可以自己步行，稳稳当当没跌倒，根本不需要学习走走路，平衡技比他人强。

二姑，您就是那么的稳妥，……
不多言了。
永远怀念您。
