“ Dear Veronica and family
What a beautiful service and delighted my brothers and I could join online. Our family goes back a long way starting in KL, long before I was born and we have very fond memories of your parents and mine growing up, visiting for Xmas and CNY (esp the Ang Pow) when we were little. How life has brought us across the seas and now here in Sydney. Your mum will always be in your hearts and with you each and everyday. Yes she was a great cook!

Lot of love, Gopalan siblings (Malaysia/Sydney)

May you Rest in Heavenly Peace Auntie 🙏. So many treasured memories of our times together with you and Uncle, dinners, church on Christmas days, open house during CNY and Christmas. Always loved your famous special soy sauce drunken chicken and ice cream !! You always had time to listen to me and Veronica , made me welcomed into your home... Thank you so much !! I know you are so proud of Veronica & Ben & all your grandchildren.

“ Thank you for God's grace and mercy to bring Koh Mah home to be with the Lord. May she finds peace and joy in heaven, no more pain and suffering.

Jesus says in John 14:2 "In My Father's house are many mansions, if it were not so, i would have told you. I go to prepare a place for you."
