“ Thanks you uncle doctor for looking after our Heath and well being from birth. We know doesn't matter what is wrong we can see uncle Doctor and we will get better. And thank you for you love and care. You generosity in looking after 3 young kids when we first arrived in Australia was simply amazing, especially now that I am a parent and understand the effort and responsibility that you have undertaken. Thank you for taking us to all the great restaurants and hotels all over Hong kong. You don't say much but we know much you love us and care for us. Best of luck with the journey ahead we will pray for you.
