“ *To the Strongest Women I know ; Mother of 4, Carer of 7, Grandma of 7 and a Great Grandma of 5. A grandma who prays for the success of her loved ones, a heart so kind and generous that only wishes happiness for you. A beautiful angel sent from heaven, that spreads love, kindness and generosity. May Your Beautiful Soul be now taken to Rest In Peace,
Thank you, Grandma Cheng ❤️#RIP*

“ *My grandma, the most adorable, loving and happy lady I grew up with. I know she is in a better place now relived with all the pains and suffering. Everybody called her Grandma, and she will always think of others before herself, treat everyone as family, always taught us to be giving to others and always have abundance of great things to say to people - this always brings a great smile on peoples faces whether its her own family, friends or even strangers. This is why people loved her so much!*

Her genuine generosity to others is who she is, I am so blessed and proud to be your grand daughter and this great grandson is the last present I can give her, she was always so happy to see him and I can see her eyes glisten every time we visited. I am sorry I didn't visit enough and to keep you company. Thank you for your guidance, support, love.

You will always be in our heart and we will strive to make you proud, I miss you and very sad to see you leave us.

Love always
