“ *Ida was my best friend. We have so many memories together. I knew her almost the year I came to Sydney. So almost 20 years. She was like a sister to me. Never liked me for being late. Always used to keep chairs for me in our CPA studies together. We used to study together, share notes, watch movies, hang out, seeing shows and visiting places. But then when I got married, I lost her. Because she became best friend with my wife. I miss you so so much, Ida! Love you. Rest in peace my beautiful friend! See you on the other side.*
