“ *Hi all Tjanarias,*

Just wanna say I am really sorry that I can't be there for 4 Pek funeral service. I really wish I could be there to pay respect to 4 Pek whom is more than an uncle to me.

I won't forget all his Godly advice as well as wisdoms that I don't even get from my parents. We are what we are today because of 4 Pek's generosity.

He was such an inspirational person and shown by his doing. For me personally, Sydney won't be the same again without 4 Pek. I will miss him deeply.

But one thing for sure, 4 Pek has done a great job for all his families and relatives, brothers and sisters in Christ, friends, employees and everyone that has the privilege to know him.

May the Lord comfort and guide all of us and 1 day we will all be together again in the Kingdom of God. Amen.

*Miss you dearly 4 Pek,
En (Phillips Chan)*

“ For over 25 years we knew Jimmy as our close friend and brother in Christ. He was a respectable person with a generosity and caring heart and he loved his brothers and sisters in Christ as well as his own family. He would offer his helping hand to people who were in need regardless. His love in actions reflected the love of a faithful Christian. Jimmy should be remembered as a good friend and/or brother in Christ by most people who have been in contact with him. We will miss him because he has gone ahead of us to be with our Lord, but we will remember him as a good example to us. Benny and Helen Coa

“ Jimmy leaves the memory of a brother who sincerely loved His Lord Jesus (together with dear and gracious wife Ruth). Many a Sunday afternoon we, and other brothers and sisters of the Mandarin Service at CCC were invited for an absolutely delicious home-cooked lunch lovingly prepared by Ruth in their home, and enjoying warm fellowship together.

Jimmy always took every opportunity he could find, to give a personal testimony of God's most recent grace and mercy showered upon them, whether it was in the intimate surrounds of their home, or in sharing with the congregation when he was Chairman at the Mandarin Worship Service.

A beautiful couple in life. May God the Holy Spirit comfort Ruth, children and relatives until they meet again in Heaven.

“ My dearest brother Jimmy, what a great shock to me when I learnt of your sudden passed away on November 3, 2014. Both Ellin and I was expecting that this time of the year we always met and had lots of fun together during your visit in Taipei and I remembered one thing you must do when you were in Taipei that was having a big delicious Korean BBQ luncheon at your most favorite Seoul BBQ Restaurant, this was one of the program we never miss when we got together in Taipei for years. We enjoyed and indulged in our happy lifetime memorable conversations during the lunch repeating again and again but never get boring of all the wonderful things we experienced and shared together in our decades long brotherly friendships. Unfortunately, we couldn't do this anymore as a result of your summoned by the all mighty God. Good bye, my dearest Jimmy may you Rest in Peace in the heaven. Our thoughts, sympathies and deepest condolences are always with your family and especially your loving wife. We miss you so much and you are always in our hearts as our lifetime memories. Your beloved brother,
Robert See in Taipei

“ *Jimmy Tjanaria, was a visionary of the photographic industry. He saw a positive path forward in Digital imaging when the Industry went through it's most difficult and challenging time in a 100 years. Where most other professional labs fell by the wayside Photoking flourished and grew substantially. Jimmy was a quite achiever and well respected by his peers in the photographic community. Honest and loyal, a man of his word. He will be sady missed but fondly remembered by all those who knew him in the photo imaging industry. Deepest sympathy to all Family and Friends.
