“ *Jono, I miss you my dear friend. I miss your humor, your honesty, and your genuine care for people around you. There's so many more laughs and banter I wanted to share with you, and i feel like I haven't heard all your stories yet..* ”

I'm so grateful we got to experience our early careers together. I was honestly so proud to see you turn from Baulko boy to such a capable, reliable and passionate colleague. I'll think of you and the laughs we shared often.. i hope it's peaceful there, i miss you
