“ *Dear Uncle Joe,
We first met in 2001 at Sharyn's graduation when you proudly photographed every moment. You have always been so polite and gentle during our encounters. Actions speak louder than words they say. I have known Vitus for many years now and I can now reflect on how many virtues he has learned from you, his calm, collected and balanced nature, his measured approach to difficult situations and his practical outlook to life. Uncle Joe, this is the greatest gift you have left behind- a wonderful living legacy of your brilliance. May your soul rest in peace.

“*Members of extended Chu family in China and US are saddened by the loss of our dearest Chow-Lok. Some of us feel very fortunate to be able to see him in good spirit just a few weeks ago in March at our transcontinental Chu family reunion. We are forever grateful for Chow-Lok’s pivotal role, together with his loving and caring parents and siblings, in thinking about the well-being of the relatives in Shanghai and sending critical aids to us during those difficult years of 60s/70s. His kindness will always be treasured and remembered. Our deepest condolences to all the loved ones in Sydney, especially to Doris, Vitus, Sharyn, and the three grandchildren. You will be in our thoughts and prayers!*

“ Dearest Uncle Jo,

Thank you for being a pillar of support for me always. From the minute I was born you were there right up till the end. I will treasure all the memories from the time you first gave me coca cola at 6 months, being there at every event of my life to capture them on camera, the Expo 88 trip to Brisbane, all the things you taught me at the photo shop, our chats about life, jumping to my rescue whenever I needed help and providing me with feedback on how to improve, with the last advice being ways to improve the taste of wontons.

I will miss you and you will be forever in my heart.
