“ I was lucky enough to work with Thomas and got a chance to see what a great man he was.

I will miss him dearly and wanted to extend my sympathies to the family. Know that we are thinking of you, remembering Thomas and celebrating his life.

My thoughts and prayers are with the family.

It was a joy to work with Thomas and I will never forget the warmth of his smile and positiveness he brought to the office each and every day.

The loss of Thomas will be felt by many. May the memories of his wonderful personality and many contributions be celebrated by all.

Thomas will leave a huge hole in all our lives. The office won't ever be the same without him. We will all be thinking of you.

Thomas had a tremendous impact on all who got to know him. I will miss him with all my heart.

Thomas will always be in our hearts and memories..... Rest in peace Thomas

“*“The comfort of having a friend may be taken away, but not that of having had one.”*
- Seneca the Younger’

Thomas was my colleague and good friend at Blacktown Mental Health for more than two decades.

He was wise and kind, and you could always rely on him. With him, I always felt like I was part of a team, that I had support, and that everything would turn out all right. He had a great knack for spotting the kind of foolishness that inevitably arises in a workplace...and then dismissing it with an "I don't care about this!" or a "Doesn't matter!", and just getting on with something worthwhile.

We shared many laughs, dealt with many challenges together. Without Tom, and people like him, I feel that the job would have been impossible.

His style with the clients was unique, and effective. He was a very skilled professional Social Worker who brought honour to the Service and to the profession itself.

When I was working with him on the Case Management Team, he would always be there to greet me in the morning. Even when I arrived 90 minutes early, he'd often be there before me.

He was a modest, and private, man...but it was clear that his loved-ones and family meant everything to him.

I know that I will never forget him. No-one who knew him ever could.

My heart, and my deepest condolences, go out to his family at this

time. A truly good man has been taken from us, before his time.

Rest In Peace, Tom.

“ To the family of my colleague Thomas, my deepest condolences for the loss of such a good man. He is not only a colleague as we share our office, but also a true friend and a brother. He is very humble, a man of less words but more actions. He will always be there when you need him, he never say no when you ask for his help. He is a great loss to our team. Tom I am sure you are now with our creator, let the eternal light shine upon you and may you rest in peace my dear brother.

*I find comfort and I am sure you family too from Romans 8: 38-39
"For I am convinced that neither death, nor life, nor angels, nor principalities, nor present things,* nor future things, nor powers, nor height, nor depth, nor any other creature will be able to separate us from the love of God in Christ Jesus our Lord.*

You will always be in hearts rest in peace Tom, thank you for the friendship and brotherhood you share Beato

“ I would like to take this opportunity to convey my deepest condolences to the family of my friend and colleague Thomas. I thank God I had the privilege to work, laugh with and tease you. You did not complain loudly, yet made your viewpoint known. You did not show emotions and stayed true to yourself at all times. This past month I asked after you several times and was looking forward to catching up in Jan 2021. I guess that will not happen for us anymore.... you left us so soon, typical of someone who don't want a fuss to be made about anything. Today I want to say bye for now...I hope you have a sweet rest. I will miss you every time I set foot in your office, I will remember those days you tried to pretend you didn't care, but most of all I will miss you for just being you. Bye Tom Tom I will miss you forever....love always, Lindy
