“ *Aunty Fong,*

The Chinese believe that if a person passes away in thier 80s, they have lived a full life, with no other desires left to be fullfilled. My mother will miss most your friendship over the years. You will always be in our heart and thoughts. May you rest in peace.

“ To the Fong Family, we extend our condolences to you all and thank you for allowing us to share this heartfelt moment in celebrating the life of Aunty Fong. Her presence has definitely defined the Fong family who are the most humble and caring people you will ever come across and is no doubt a common feeling amongst all. Thank you for her life and the warmth she has given to us all. Our kids Ciara, Charlize and Cody said "Mummy, Fong Por Por is now with the angels and she is one too!!". God bless you all. Lots of love from Charles, Patricia and our children Ciara, Charlize and Cody. Rest in Peace Aunty Fong xo
