“ *So Yu, a special friend, a genuine loving person who cares for her friends sincerely ...*

*So Yu, your comforting message to me before I went for a major operation in Jan 2019 was a true portrait of yourself. That you are a strong woman; God heard your prayers and said hard times are over.*

*May God's Words continue to comfort your two dear sons and family at this difficult time.*

*So Yu Rest in Peace. I love you and I will miss you.*

“ *Kelies:*

*So glad that we rekindle our friendship from across the oceans. I am so glad that prayers for the healings and for the family strengthen us.*

*You are beautiful, loving and kind  
Always true, always selfless, always strong.  
You are bold, courageous and daring,  
You lived a good life, you fought a good fight.  
No more tears, no more suffering, no more pain. And no regrets.  
Rest In Peace, my friend.  
Love your spirit, love your soul, you'll be dearly missed.*

*To the family:*

*So sorry for the loss of your beloved mother and grandmother. She always talks proudly of her two sons, and the beautiful grandchildren given to her by her beautiful daughter--in-law. You are all her joy and pride!*

*May fond memories of her bring you comfort during this hard time in your lives. My heart and prayers go out to you all. Please be assured that she is now in a God's bosom, smiling or maybe laughing...*

“ SY, we never met at school but fate brought us together in Aus and we became very close friends. Through thick and thin, ups and downs, you were always there for me. There’s almost nothing we wouldn’t share. We had so much fun together. We always had each other’s back, supported each other, consoled each other because we know true friendship is not easy to find. I am going to miss you so much ❤️❤️❤️
