“ I met Kenny through the tight-knit Officeworks community. My brother Joe worked with him at Officeworks a long time ago. When I got a job there many years later, I believe I met Kenny at a function. Despite not knowing him, we instantly bonded over our mutual connection to Officeworks and my brother. After that, I would continue to see him at many other Officeworks get togethers. Kenny was always so kind to me and always had that cheeky grin that we all know so well. Even though we didn't know each other really well, he was the type of guy who made you feel like you'd been friends for years. Such a positive and bright spark gone too soon. My sincerest condolences to the family, from my brother Joe as well ❤️❤️❤️

“ *Dear Ken,*

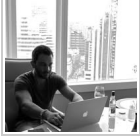

I will always remember your kind heart, your smile and your endless generosity. You were like the big brother of the family. You had such a beautiful soul and a big heart. Thanks for taking me to the car shows back in the day, taking me around on your motorbike and introducing me to American Football when I was a kid. You will be sorely missed and forever in our hearts.

Sending you and the family all my love. Rest in peace brother.
