“ *Por Por was the best grandma Ant and I ever had. Even though we weren't her real grandchildren, she always treated us like we were and when we saw her, we were always welcomed with a warm smile, a hug and her tasty food. I'll always remember her love of mahjong, masterchef and miss HK pageant shows and I'll never forget her wholesome laughter and the love she had for all her family and friends. Rest in peace Por Por ❤️*

“ *Por Por always treated my sister and I like her own. She may have left this physical realm, but how she treated others is how I remember her always. I'm grateful that I got to experience her patience and her generosity. She treated everyone as equals; parents and children alike (she was queen bee, she could). Thank you Por Por, for inspiring us through your actions and character. A human worthy of dining with the gods.*
