“ When I first met 姑丈 I was still little, I thought he was a very dour man which had a serious look on his face. I was scared to talk to him, but since get to know him more after. He was a very nice uncle that he would make jokes with his humour, although I didn't get his jokes most of the time until my auntie explained to me. Anyway, you and 姑媽 were always be very supportive for me and provided many opinions and suggestions to guide me through different situations. You are just like my second dad, thank you so much. Love you always ❤️

“ My father, Ko-Wing, did so much for our family. You've done so much to make sure mum and I are always ok, spoiling me at every chance but still ensuring I grew up to be a decent adult. Mum and I love you so much.
