“ Mum was a tough love mum, she cared deeply for all of us. She loved life. She was the opposite of Dad. She was willing to take risks and strive for us kids. She was outgoing, having many friends and always wanting to live life to the fullest. She outlived Dad by 18 years. Her passing was very sudden. I only spoke to her 2 days prior. She was in pain but she still have a strong zest for life. She wanted to get home, she didn't like the nursing home. She loved her house where her things were and her son Allen was. Her most important wish is to take care of Allen and the rest of siblings promised to do this. Mum we love you so much. We will you very much. We know you are in a better place and have joined Dad now. Love you Mum
