“ We are saddened with the loss of your mum. Our sincere condolences to you Wei and your family. I remembered fondly, every time we see auntie at your house, she always gave us big smiles, always happy to see us and chat with us, and offered us food. I will remember her always with smiley face and her generosity. Rest In Peace auntie.

“ Since we moved to Sydney from UK 10 years ago, auntie Kwee has always been there for me when I needed her.

When we first arrived to Sydney, we stayed at her house for several days. Additionally when we moved to Canada and returned to Sydney for holidays, we again stayed with auntie Kwee. She was always accomodating and generous. Auntie Kwee will fuss over us: make breakfast for me and even for my baby, shop for food etc. Over the years, auntie Kwee will call and even text to remind me the days of ‘guan yin Dan’ where I should observe a vegetarian diet ‘zhai’.

I will always cherish the memories I had with her. Auntie Kwee carried herself with such grace and was also gentle and kind. Auntie Kwee had a heart of gold.

I will miss her dearly and will think of auntie Kwee when I observe ‘Zhai’.

Love,  
Elaine

“ *Sister Kwee Kin's passing is a great loss and sadness to me and my family. She had been a pillar to my parents, my brothers and sisters. A wonderful sister who would not hesitate to give advice and help when asked. Sis Kwee Kin had never neglected her duty as the Big Sister in every way. I remember so well on our school holidays at our granpa's house in Salak South where there were streams, big ponds, wild fruit trees along the jungle fringes, and abandoned villages during the hike of Malay Emergency, she would watch that we and cousins behaved and stayed safe.*

*A very hard working person at home and at work. Our parents were not well off, Sis Kwee Kin felt responsible with family finances, so she worked loads of overtime to bringing extra income for the family. Sis Kwee Kin loved animals. I remember one day she brought home 2 stray puppies. The pet dogs named Rover and Ranger always greeted her happily when she returned home from work. She was upset when Rover passed away. She didn't see Ranger grew up beautifully as she emigrated to Australia.*

*Sis Kwee Kin loves baking cakes, she made beautiful jelly(agar agar) desserts in various design and shapes e.g. water melon and pineapple etc.*

*She is a staunch Buddhist and strict in observing vegetarian diets on religious days and daily prayers.*

*Sister Kwee Kin , I thank you for the love and support you had given to the YAP family all those years. I will always treasure your love, those happy memories and will always love you. It was a great disappointment that last year's plans for a big siblings re-union in Kuala Lumpur did not materialised because of the Covid Pandemic lockdown.*

*May Lord Buddha, Goddess Kuan Yin bless you and guide you always.*

*Good Bye Sister Kwee Kin.*

“ Auntie Kwee Kin was always a kind and loving aunt to me and my brother. Although I only had the chance to see her only so many times due to us living in different countries, it was always great to see her. Greeted with a smile, and her asking me (her nephew) about my life with so much genuine care - is something that I appreciate a lot. May she rest in peace and be in a better place. ❤️
