“ *How are you feeling oaun? Is everything good and comfort? we are ok here, don't have to worry anything. Soon Malvern will arrive and enjoy this world. I wish you could see him ..*

Crystal keeps talking about you. She said she loves you so much , we sleep in the same bed and sometimes she asked where had you been. I told her daddy love you so much but he can't come back anymore, he's in heaven in good life now.

Every night I so miss you and always a hope you will come back and sleep by our side. Crystal keeps attacking my territory now and I let her do it because it makes me feel warm and not lonely.

Mum also misses you oaun. We all so much in love and miss you .. Now and forever you'll always be my man and the great dad of your children. Love you all of my life ..

“ *He's the best husband, responsible, loyal, funny, smart, family man, always think of family parents brothers & sisters. It's no words to explain how much he has meant to me. 11 years together is the u forgotten memory, it was , is , and will be forever. I'll tell crystal & malvern how great their father is. I'm so proud of you that you have saved 5 people lives, the merit you have done will lead you the bright good way in your next life.*

One day I'll make your dream become true, it must exist and keep continuing.

I love you of all my heart, and it will be here forever.

Love you Oaun .. Now and forever ..
