“ *Fond memories of Walter very patiently playing a few rounds of mahjong with us that night just after I'd started learning, Kitty – and of his warmth and generosity of spirit on the (sadly few) occasions I was in town and popped in.*

Wish I'd had the chance to know him better –a wonderfully kind and gentlemanly Dad and Grandpa who lived for his family – always interested and involved in what everyone was up to. He had just seen Hugo, had dinner with Seb, and then was Facetiming with Phoebe when I saw him last (so cool!).

*Thinking of you and sending much love to you, Sheena and Seb and your family

“ My father attended the Stanley Hunt Wellness Centre in Ultimo every Wednesday. While there Dad would participate in many activities, he was very much admired for his calligraphy skills. My father was such a social and amiable person. All who met him loved his kind, gentle cheeky manner. I miss you so much. Sheena and Kitty 💔💔💔💔
