“ *Ma ma, thank you for everything you have given to me, you will always be my hero. The last few weeks of sharing your last moments have forever imprinted in my memory. I think of you every day whenever I cook, I get up and goto the bath room, the dining table, the lounge. There are so much memories of you. Have comfort that you have brought us up well and we will be able to continue to survive in this world on our own. You did a marvellous job. Look what you have achieved. We are so proud of you as our mother. Today, we will farewell your body but we know that you will forever live in our hearts till eternity !*
