“ Dear Gloria & Kim & Families,
Please accept my sympathy on the passing of your father and mother. I worked with Mao at Egis and GHD from 2000 to 2005. We worked on Telecommunication site designs for a number of telecommunication companies. I did appreciate Mao, his diligence and support. He was responsible for the first site on a High Voltage tower. He worked closely with Dan Dempsey of TransGrid. He was so proud of you both and kept me up to date on your successes at school. He was very caring, but a private person and did not say much, apart from his family. He shared a birthday with my wife Angela and would always send me an email around the 22 December to pass on birthday greetings, even after I left GHD for Opus. I did not meet your mum but she must have been a wonderful ,caring person and fun to be with. I was impressed that she was a woman of Christian faith, a great example to leave to you both. Again please accept my sympathy and prayers for Jesus' love, guidance and protection on you both at this difficult time.
Yours Sincerely
Ian Hayles

*Wish for a pair of lovebirds in the day
On the ground and is willing to twinned trunks
Everlasting sometimes do
The hate and continuing have no unique period*

Rest in peace together
