“ *My Dear Sandy*

Friendship is another word for love. Many people will walk in and out of our lives, some left many lessons, some created good memories and even more. Along the journey of life, we know a lot of people that, at the end, become friends or good friends; Sandy is one of those who we firstly knew as a colleague then became friend to a good friend. Sandy for us is extraordinarily not only a good friend but family. She is kind and generous to all people around her. We pretty sure that she is loved by all her intimate friends.

She will always remain in our heart and she will be remembered forever. Rest for now until we meet again.

*With love and condolences

“ *My deepest condolences to you, Sandy's family, and especially Queenie. She loved you so much.*

Sandy was a wonderful colleague when we worked together. She was so capable and always ready to help, with a smile. She was the glue that held Kingsway together.

Vale, you will be missed Sandy.

“ Dear Sandy's family, I am so sorry to hear of the passing of Sandy and please accept my deepest condolences for your loss.

Sandy will truly be missed. She was a very special woman. I have such fond memories of working and spending company party with her. She was the one and only to host and organise a wonderful dinner and unforgettable memory every year.

I know how hard she was to fight with her prolonged illness in recent years but I kept hoping that somehow, she would pull through. If anyone could have overcome that prognosis, it would have been her.

I will miss her smile, laughing and her funny stories.

“ To Sandy’s family, with my deepest condolences, I’m truly sorry for your loss.

Sandy will never be forgotten. She was one of the smartest lady with the beautiful heart that I have ever met. I always admired her works and she was very inspiring. I remembered when I started working with her 10 yrs ago, I needed to call Sandy and asked for her helps few times a day, without any complaints but she was always there with full energy and always had the solutions for me. I truly will miss her voice when she answering the phone. I will always remember her as vibrant and full of life. I will miss her for our company parties that she was always there to organised things and was the party host. I will miss her smile and her voices of laughing.

Dear Sandy, your life was a blessing to us, we will miss you until we meet again.

“ Dear Sandy’s family, our hearts goes out to you for the loss of your dear daughter Sandy. I know how much she meant to you. We will keep you in our thoughts and prayers.

We are truly devastated by this loss. Sandy was an awesome friend to us, we loved to meet with her and always had things to talk about. In fact, the first person I knew at Kingsway was Sandy. I still remember when we met. She was very clever and professional but most of all she had a heart of an elephant. She loved people and a lot of people loved her. She also had a great sense of humour. I believe she lived her life on full throttle without regrets. I am personally very grateful to you because you raised her! I will never forget her stories about playing the piano or Chinese brush drawing which made her calm down if she was distressed. She was very talented.

I know how much she meant to you. She loved you without reservations and I am sure she is looking from above loving you for all you have given up for her in your life.

As much as we wish to meet with her again, we will not be able to. I will not be able to go for a coffee with her every morning as we used to. I am very sad but I know that she is in a better place now.

The last few months were very difficult for you and your family. We looked for Sandy’s company and tried to contact her on many occasions but we knew she was in your good care and she did not need much from us. Our hearts are with you and with your family. If there is anything we can do for you please reach out to us.

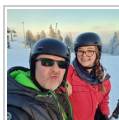

Jan, Petra and Eliska.

“ *Queenie your mum loved you and was so proud of you. I remember her talking about you so lovingly. She worked very long hours at that time and sometimes you would come to Kingsway and visit. I'm really sorry you have lost your mum far too soon. She was strong and capable and kind to everyone.*
