“ Auntie is such a warm ambassador for Asia Pacific Mahjong as she unknowing welcome players through the front door or at the coffee shop having her breakfast or just sitting there eyeing the mj players!

Her smiles say it all! Everytime I saw her we exchange greeting with our eyes, our smiles and a few casual verbal greetings!

Thank you Auntie and May your soul Rest In Peace forever!!

“ It's been a short journey for me with aunty Ai Ngiok. And I have seen family love and care given upon aunty Ai Ngiok. Everyday aunty Ai Ngiok will look forward to lunch time, chatting with her children and have lunch together. Aunty is blessed to have a loving family and I will miss her dearly.

Remembered aunty Ai Ngiok requested for bak kwa and Michael will rush back home to bake fresh ones for her the next day. Pauline will come to visit aunty despite of her busy schedule. I love seeing the family love scene and I'm sure aunty Ai Ngiok enjoyed her life without regret.

“ Grandma would look after me after school, make sure that I cleaned up and did my homework. I used to think she was really strict, but she helped to mould me into the person I am today.
