“ *Ying, working with you was an absolute delight. You brought your smiles, songs and laughter to work everyday and it was infectious. I am so sad that my little Joseph won't be greeted by you as he starts in nursery at work in a few months but I will be sure to tell him all about Miss Ying who I know he would have loved as much as I do*

“ *Dear Aunty,*

*Your family is like our extended family.
You have raised such incredible children in Jim's family and in Eva.
Our kids adore your grandchildren and are always so grateful to be able to spend time with them and listening to all the fun they have when they are with you when you look after them. Josh, Chloe and Nathan always speak so fondly of all the fun things you do with them and all the delicious and nutritious food you cook for them!
Our family will always be there to support Jim, Ange, Eva and the kids. We really are thankful for the years of friendship we have been so blessed to have shared with you and the family.*

Rest In Peace.

“ Thank for being such an awesome second mom to me, with all my time spent growing up through my teenage years side by side with your son Jimmy. I have so many fond memories of the generosity and the kindness that you have shown me over all those years - all those times you would provide a meal for me, all those times that you would let me stay over and show me such loving hospitality, all those times that you provided me a safe place for me to go to, a second home that i have often found myself seeking refuge in for all those many years. I have no doubt that the person that i am now, what good parts of it if any...has come from my precious friendship with your son Jimmy and from knowing the mother that bore him. But my greatest joy right now that i can take away from knowing you Mrs Cheng is that for you, Jimmy and I - this will not be the end of our relationship. One day soon, on that last day, we will all be together surrounding our great and wonderful God, worshiping and praising him for all of eternity. Over all these years, I have been encouraged beyond measure to hear of your great love for this God who died for you, Jimmy and I, this God that overcame death, this God who rose again so that what awaits us is this glorious future where there will be no more tears, sorrow or pain. Jimmy and I await that day, we long for it and we are in great comfort to know that we will be with you again worshiping the person that made us. Thank you once again, Mrs Cheng for all your love and kindness over the years.
Love, Jason Lo Christian brother in Christ.

“ When I first met you, you told me your name was Ying. I thought you said bling. I told you my name is Minal and you called me menu. We looked at each other and laughed, “oh well that’s close enough”. I am truly blessed to have worked with you at Goodstart Kensington. Over the years you worked in the Nursery room. I would honestly say the Nursery room was like your haven your happy place, the room you were best suited to. You built a beautiful attachment with the children. Outside of work we had a load of fun, birthday parties, dinners and parties with friends. We created a lot of funny, happy memories. Like me, you were an avid Candy crush player, but you were better you were number 1 in the world. Sadly I have no one to compete against now. Last but not least I am going to miss your mango pancakes. They were the best. You may be gone but you will never be forgotten❤️❤️❤️#flyhighbeautiful

“ *In memory of Pang Wan Ying Cheng*

Being the Bible Study Leaders of Wan Ying, we believe that she has displayed a gorgeous life that God has given her. She always put her family first. She is a role model of every Christian.

We were very impressed by her calm and peace during the time she was in the hospital. That captured the essence of her faith in Jesus. In commemorating Wan Ying's life and legacy, her sweet smile is forever in our memories. She is truly the faithful and beloved daughter of our Lord.

“ Dear Ying, even though I worked with you only for about 4years, I have learnt a lot working with you. Especially when I started working with the younger children, you always made me feel everything is alright and everybody is safe and healthy having you in the room. You were always very professional at work treating every child equally with respect and actively communicating with all the people in the community. I believe you made lots of people feel loved and cared including myself. I loved your jokes and laughs with made our hectic days lighter and put smiles on our faces.
I miss you Ying Po Po in our nursery room. But we will carry your beautiful soul and keep doing our best for the children, their families and the community.
Thank you Ying.
With Love

“ *Ying Ying..... that's what our kids, Elise and Ethan used to call you. Spending Monday's and Tuesday's at Ying Ying's place was the highlight of their week! You not only spoilt them with trips to the Aquarium, riding on the monorail and visiting numerous playgrounds, you loved them as your own and taught them valuable life lessons. Now at age 22 and 21 they still call you Ying Ying! They often share with their youngest sister, Elizabeth, their happy childhood with Ying Ying: if only Elizabeth had the chance to be cared by Ying Ying. I am forever grateful for the joy, love and virtues my kids got to witness in you. You work tirelessly to make sure they were well cared for. I loved reading your end of day report of their activities and what they ate or didn't eat. You were always encouraging us parents to love and enjoy our kids. You always made sure we could always see the positive of any situation. I am thankful God answered Jimmy's prayers and brought you to know Him and walk with Him. Thanks be to God. Yours in Christ Jesus.*

“ Dear Ah Mah,
You have been such a blessing over the years to me and our family. Thank you for showing us what a wonderful example of enjoying life, generosity, other people centeredness, practical care and support.
Last night, Nathan shared with me something he remembers years ago in a (probably stressful) car trip with the kids, where you pulled over, stopped the car, and took a quiet moment to pray. As he reflected on it last night.. you could have told them off but instead you showed patience and trusting in God. You may not have known it at the time but you were teaching them a valuable lesson in your actions. Thank you!
We have a lot to learn from your example as a wife, mother, grandmother, friend and sister in Christ.
You will sadly missed by all now but there will much rejoicing when we meet again!

“ Dear Auntie and family,

It has been wonderful blessing to know Auntie Ming and see her selfless testimony for all the people around her. Auntie Ming has been a constant encouragement to me, she has demonstrated to me how I should love and serve other people like Christ, in humility, not seeking for her own interests but to honour and praise God with her life. Her genuine warmth and kindness will always be in my memory. We'll uphold your family and uncle in our prayers.

In Christ,

“ Dear Mah Mah,
Every Friday I would go to your house and would play games with you, make orange juice and have banana pancakes. You did all that just for me and my siblings. As soon as my mother told me about you having cancer I got really upset. But when I thought about it I knew that you believed in god. For that reason she would go to heaven. Now I'm really thankful that she was a follower of god.
