“ *Aunty Pat and her family were a consistent presence in my formative years as a child and through my journey into adulthood and beyond. I’m saddened by her passing not only due to such long history, but because of clear memories of her generosity and kindness to me and my family over the years. There are instances of her willingness to offer support that still carry meaning for me today and this community spirit is a model of behaviour to aspire to. In this way, she persists well beyond her time in the flesh. Thank you Aunty Pat and may you rest peacefully <3*

“ I started line dancing in 2015. Went to Anna's class on Fridays during term breaks, and that's how I met Pat. She always had a smile on her face, really kind and gentle and very easy going. It was very reassuring every time I saw her, like she could solve all the problems if I encountered any.

I remembered I was in a panic when I forgot to bring a mask, and I had to go to Coles after the class. She calmly gave me one (when no one else had a spare one) and refused to accept any from me at the next class.

I will miss her beautiful smile, her gentle words and friendly nature. Most of all, I will miss working with her, collecting money from the Mon and Friday classes at the end of the year, for Xmas & birthday presents for Anna.

It is devastating that I'm away on holiday atm, and returning the day after the funeral. I'll miss the opportunity to say good bye to you, Pat, but I'll remember you everytime I do line dance. RIP, my dear friend ❤️

“Michael and I first met Pat on the dancing floor in Hurstville Seniors Center run by Cher more than 10 years ago, then gradually joined us at Campsie and then my Chatswood class as well. She was a very passionate line dancer and a kind lady making sure you were comfortable in all the steps of a dance. The students even named her - the walking Dancesheet.

The way she nurtured new students was remarkable, making my job a lot easier to teach and the class a lot more fun. She was always happy to help someone who needs it and we appreciate that. Thank you my friend for being part of our line dancing family. We will miss you deeply!

May our grief be replaced by cherished memories that will never fade away. May these words bring solace during this sorrowful time of mourning. They will always remain close in our hearts forever. No matter how much time passes, the memories shared between us and our lost friend will never fade.

“*I remembered how kindness you were when I first started line dancing in Epping Community Church. You always are helpful. Your gentleness really impressed me and your encouragement too when I found difficulty in following through all dancing steps during beginner lessons with Anna. I will always remember you in my heart.*”

“ *Pat, 謝謝你幫我補習舞蹈。我常常忘記舞步。你總是那麼耐心地給我示範，不管我讓你重複多少遍，你也保持微笑地示範。我在你眼中我的跳舞程度，我心裏有數。因為一次我幫你在電腦做了一點事，你衝口而出說，「你終於有一件事做得好」。我們哈哈大笑。*

Pat, 再次衷心感謝你。

“ *Pat and I have been good friends for over 20 years, first meeting on the dance floor at St Paul’s Church, Chatswood. She was a very passionate line dancer. We practised dancing, shared teaching experiences and discussed new dances, sometimes every evening.*

She has supported me so much over the past twenty plus years. Always reminding me of things in advance like, public holidays and things needed to do, so I would never forget.

Pat was always thinking of others before herself and was so kind hearted. She volunteered her time at the Wesley mission, teaching the elderly dancing.

She was always so calm and cheerful in all situations.

Pat, without you, I wouldn’t be where I am today. We enjoyed so much together, and you are going to be so sadly missed by so many, especially me. My dear friend, you are loved so very much and you will be forever in our hearts.
