“ Dear Patrick,

Though we had known each other in Christ for years, our relationship was getting better and closer after our respective child Vanessa and Joshua married.

When attending your memorial service, the feeling was fixed.

On one hand, it was a joy and blessing to you that the Lord relieved your pain, burden and suffering on completion of your course of earthly journey in His timing. You are now resting in the Lord's loving arms and enjoying eternal peace. On the other, I was sad and grieving and could not hold my tears when I said good bye to you.

We miss you and you are always in our hearts

We are looking forward to seeing you again in the kingdom of our Heavenly Father. This is our salvation and glorious and living hope. Amen.

“ Patrick, ive been working for you for almost a year, i may not have as many memories with you as other employees, but i feel that you were not only a boss but a mentor and friend, your wisdom and leadership left an indelible mark on all of us.
From the bottom of my hearts, losing a boss like you is a great loss for us. Thank you for the opportunity to work with you and the entire staff at Lj Hooker, its a pity that you are no longer here to witness my growth and hear your praises.
Rest in peace boss, ill never forget you, ill love and cherish the memories.

“ Patrick was an honest and honourable man. It has been a privilege to know and work with him and the attendance at his memorial service today shows the very high esteem in which he was held by so many people. RIP Patrick.

“ Rest In Peace Patrick. One of the things that I will miss about you that some people may not know about is your sense of humour. Even though our work is stressful, there were still many times that you were able to make me laugh. I will greatly miss you. 🙏

“ Patrick was the most loving and caring boss I had ever met. Patrick usually helped me from the beginning to the end of my Home Auctions.

I miss you and will always miss you. We lost a good friend and a supportive colleague.

People say God doesn't let a good person stay for long in this world, and I believe God has brought you back to him.

You'll always be in our hearts

“ *Patrick!*
I did not know about your illness until the Thursday last week.
You should have let me visit you last week at the hospital! and you
said you will be home soon ... I though I can visit you when you get
home...

I once said that: - Patrick! I have known you for such a long time.
You have watched me grown from a young receptionist girl, getting
married, changes careers, go through my stages in life ...
You're actually a mentor, always been calm, kind heart, and very
understanding.

In loving memory - Patrick Yeung!

“ God Bless your beautiful Soul Patrick.
As we mentioned before; LIFE IS LIKE A JOURNEY, we come and we go; soon we will meet in Heaven again; our true home.
Your a good moral mentor to all of us especially for me; I learned so much from you in a short period of time. Thank you for the beautiful memories.
I am praying to God and to all the Enlightened Masters, Jesus, Buddha for your Soul to be liberated and free.
With God's Love
