“ Dearest, Uncle Chick, and sons, my heart is sad with you in Aunt Peggy's passing. I remember the last time we saw each other was at Lloyd & Seonji's wedding in S. Korea. It was so very sweet and thoughtful that you made a photo book of our time there. So many lovely pictures of Aunt Peggy. Much love from Thunder Bay, Meinwen, Josh, Emma and Ellie.

“ From Wing Huen, old time classmate.
Have known Peggie since primary school days. That means having been friends for over 6 decades.
Vivid memories of her image at different stages of life as a young girl,
She will continue to live in our minds as a very nice, considerate, cheerful person.....
It hurts to see her leaving us.
Peggie, Rest in Pease.

Since primary we have been good friends for more than half a century. Though we live so far apart, in 2019 we met in Vancouver and spent one day together just like good old days. It is a Blessing to have a beautiful memory. I miss you Peggie. May you rest in peace!

“ It's a privilege that I could live and grow up with sister Peggy, as a brother. She was kind, artistic and a leader. She often led us playing home. Eric was the chauffeur "pineapple" . I was 2.5 year old, played baby, so was Doris, was watching , eating imaginary food and enjoyed. Peggy could draw beautifully ever since I became aware during my baby mode. And Peggy was the good looking princess at home. At the time, Doris was too young to compete. I treasure my memory with Peggy. I pray dailly for blessings to Peggy's soul. With love, from Bernard Tsui and family.

“ As a primary school classmate of hers, I mourn the loss of a long time friend Peggy, though we have not seen each other since the 1971. May her soul rest in peace in heaven knowing she is missed much by her friends and loving family.

“ As kids, we lived together, we laughed. We didn't always show love, that we both had inside. All memories we share, is what bonds me now to you. It's a love shared by our family. You are my dearest sister not by choice , but by nature of our birth. I could not chosen a better one. You are the best on earth. I know you are looking down from heaven now. Rest In Peace. With love from your dearest sister Doris and her husband Sam

“ Dearest William, please accept my deepest condolences. May Peggie join our father in heaven and Rest In Peace.

I remembered sister Peggie as the artist and a good teacher.

She was the only one in the family could draw a human figure with full feature and details.

She also was the one who taught me mathematics for my homework at home. She was one of the most respectful siblings in our family.
