“ *Uncle Peter - Gooh Jheng, we miss you!
Aunt Catherine -Gooh Ma, Colin, Wendy, Betty, Anna and your families our deepest sympathies.
Gooh Jheng we were at your home every week. We spent every Christmas with you and your family, our family. We had so much fun, so many precious memories.
You didn't play mah Jong, you were in your garden or cooking a feast. All the organic vegetables and beautiful orchids. They were fabulous!
I remember watching The Don Lane Show with you. One of your favourite shows.
You made supper at the restaurant and every week you would make up a container for me to take for lunch the next day.
You were so thoughtful, easy going, David says ' best spring roll maker in Australia'!
You always had a smile for us. We will miss that smile.
Love Elina, David, Alyssa and Aaron*

“ To your loving family Auntie Catherine, Colin, Wendy, Betty and Anna (and your families), our hearts goes out to you and our thoughts are with you during this difficult time.

We will miss you Gooh Jheng but our memories of you will live forever.

My Uncle Peter was not the largest man in stature but he had a huge heart. He always greeted us with so much warmth, we knew we were always welcome. Every time I met him, he would ask "Where is Tim? How are your girls?" I remember when Tim and I had birthday parties for our girls at home, Uncle Peter and Auntie Catherine would always come with plates of food to share. His fried chicken was always a favorite with everyone wanting more.

Uncle Peter was a kind and gentle soul, who always had a smile on his face. He spent a lot of time in the garden or in the kitchen. My fondest memory of him was when my parents had their restaurant and every time I was there he would ask me, "ah Kee Kee would you like some prawn cutlets? How many do you want?" He would sometimes remind me and say, "ah Kee, you really like prawn cutlets. When you were little you would come into the kitchen and say, "Gooh Jheng I really like prawn cutlets." This memory always brought a smile to my face as I still do, really like eating prawn cutlets and he made the best ones ever.

May you rest in peace, till we meet again.

“ Uncle Peter Fong - to his entire families, especially to Aunty Cathy and Colin our deepest Sympathies are with you. My father(Ernie Fong - deceased) 1st cousin was Peter Fong.

Their is so much to talk about, but a short note:

- I always remembered Uncle Peter & Aunty Cathy's parties always at there place, celebrating the kids birthdays. Entire families coming together, helping out with making the meals, an all day event. While Uncle Peter showing his garden to those who weren't making anything and chatting. His pride joy was his orchids.

He was a kind hearted, caring person, greeting you with a big smile on his face. Loving to have a chat with you.

Mum(Jean), Russell and I would always remember the times we would always bump into Uncle Peter, at the shopping centres,the city markets and train stations. He loved the Friday trips to the Paddy's market in the city, this was his me time. It was always uncanny how we use to bump into him all the time. We loved it, it gave us a time to catch up with what the families were up to. Uncle Peter was a happy go lucky easy person to get along with. If he had a problem he would always just showed us a smile.

I'll never forget the one time I had bumped into him at Hurstville Westfields, I asked about where Aunty Cathy was he just mentioned; " Oh, she went to Hong Kong and China for 2 weeks with friends." I said to him, why didn't you go too." He replied; " What for? I have China here at Hurstville, no need to go, it's here." Stumped with his answer, I burst into laughter, then he laughed along with me.

Such a simple man who did a lot for others in a humble, respectful way. He loved his families right down to the grand kids.

I missed bumping into Uncle Peter a while back when his health was deteriorating.

To Aunty Cathy, Colin, Wendy, Betty and Anna and there families, the grieving never goes away, but it lessens as the years go on, remember his smiles, his wisdom and memories, hold them dear to your hearts for your future generations.

*As we will always hold him dear to ours,
Deepest Sympathy and Blessings,
Willeen Fong-Symes, Russell Symes and Jean Fong*
