“ *My mother's presence always warmed our home
With peace and security and love.
She was like a gentle breeze that wafted through
Setting things right, creating a haven for us all.
Whatever problems we had, Mom solved them.
Whatever triumphs we had, Mom celebrated them.
Whatever needs we had, Mom fulfilled them.
Surely such a mother could never drift far
From those she loved with all her heart.
Though she has left her earthly body behind,
I feel her presence still.
Mom remains close to me, she knows my sorrow,
And she enfolds me in invisible arms I can still feel,
And she comforts me.*

“ *Aunt Patsy Yeung had always been a kind, quiet, gentle and loving individual in the lives of people who knew her. She strived hard to support and help others in need. She is courageous and lived her life with dignity, grace, peace, faith, love and hope. She is sincere and genuinely considerate of others. I am very thankful to her for being there during a difficult time in my youth. A gentle and loving soul who will be missed by many. May she be with God who has been by her side always on Earth and now in Heaven. You will be forever in my heart. Your niece Jenny Sinn*
