“ *Dear Abby and Johnathon,  
It was a shock to know that Sau King had left us! We were oversea at that time! We know her and your father for a long time. They both are hard working persons! Sincere and warm. They are missed by us. May she rest in peace in heaven with her daring husband!  
Please accept our sincere condolences !

“ We first met Ming Gor and Banny in September 2013 when we joined a trip to China, we from Toronto, Canada and Ming Gor with Banny from Sydney, Australia. During the some 14 days trip, we four became good friends, plus another couple from Sydney as well. Last time we met Banny was in February 2017 when we visited Sydney on our way to join a cruise from Sydney. We had a wonderful day together. It was February 15, 2017. We are shocked to receive the WhatsApp yesterday evening (Toronto local time) informing us that Banny had passed away. May God bless Banny's soul, and may she rest in peace. For Banny's children and grandchildren, may loving memories of the one who meant so much to you bring peace and comfort to your heart and ease your sorrow. For the memories that you cherish, though they sometimes bring a tear, will help you to feel that Banny's love is always very near.
