“ *I am sharing in your sadness as you remember your loved one. Foo TZ has always brought a smile to those people he has touched. I always loved his sense of humour and can say that his cooking of curry is 2nd to none. Mr Foo was such an inspiration in my life —I'll never forget the valuable lessons he taught me.*

“ *Foo TZ had led by example as a devout Dao cultivator who showed us a breath of rejoice and endurance. His sustained virtues will live beyond his passing. Although it is our loss on earth, it is to his gain in Heaven.*
