“ Dearest Brother Stephen

I am honoured and privileged to have known you for 15 years as my brother in law. You were a humble man and a man with few words. In life, and now death you wouldn't want us to focus on the sadness and ...

There's a saying that I found, which goes: "Nothing is so strong as gentleness, and nothing is so gentle as real strength".

We often say that the hour of death we cannot forecast. When we say this we imagine this hour would be in a distant future.

I was so happy knowing you Stephen, and you decided to stay in our church, accepted the Lord Jesus Christ as your personal saviour.

We are so delighted that you choose to join our church and get to know you more as a brother in Christ, knowing you Stephen, I find you gentle and generous man.

During your last days of your ordeal at St George Hospital, I sense of your eagerness to live more and great faith with God.

It is sad to see you go however, this is just the beginning of your eternal life, where there is no pain, no sickness, no age, no worries and most of all living eternal with our Saviour

Well done Stephen, you have done amazing things for our Lord and your family.

Love and Prayers ,

God bless your soul!

“ *Stephen my eldest brother, passed away after 15 years battle with his Leukemia , he was strong and determined to fight this illness , he was always hopeful that his chemotherapy would able to spare his life for at least another 2 years so he can be together and cherish his time with his beloved family, unfortunately this illness took his life away too soon. Stephen will be Greatly missed by his family, siblings and friends.*

Stephen, I will always love you, and thinking of you of the good times we share when I was growing up in Lautoka - Fiji, those moments will always be cherished.

May you now rest in peace, may God Bless you, and your Soul rest in Heaven.
