Dad....Thank you for being you... for sharing your love with me... for inspiring me to accept myself... for helping me see the unique beauty in imperfection... for showing me that love is something you do; something not just to be said, but also to be shown.

“ *Best grandfather one could ask for! Made the best steamed chicken buns and always made sure we were looked after. Hope you're taking a nice, long walk in this next journey, Grandpa -- just like you've always loved doing.*

Leon Chan - March 17, 2021 at 02:49 PM

“ *He is such a gentle soul. Every time I see Uncle and Auntie, they are always wearing a welcoming smile. We eat and he will urge us to eat, eat, eat. Since Janis has so many friends coming and going, I am sure he will probably not remember my name, but he will recognise the faces--you can see in his eyes of acknowledgement. Yes, Uncle, you will be missed very much. I did offer Mass and prayers for you the next day you departed.*

God Bless*
