“ *It was shocking to see you go at the time you are supposedly to enjoy your well earned retirement and spend more time with your family. Evidently, I still have vivid memory of those days when we were little kids at 129 where six families with 24 kids lived - the 'home' we earned our first real life experience of living in harmony and sharing limited resource and basic facilities together. Goodbye is the hardest word I can utter. May you rest in peace.*

“ Susan was such a lovely caring lady and a pleasure to work with. She stayed back late as did I and we had many laughs and good times. We enjoyed many staff lunches and socializing. Absolutely nothing was too much trouble for Susan. God bless xo
