“ *We were all better people for knowing Tina. Always with a ready smile and forever in good spirits, she taught us all to cultivate compassion with her career. She and Charles raised their family in the Catholic faith, love them and keep them belonging completely to Jesus. Her devotion is alive in every one of us.*  
*Though our community is at a significant loss without Tina, we can take great solace knowing she is seated with our Lord in Heaven.*  
*We were blessed to know her, love her*
