*Uncle Liew was an excellent Maths teacher in Sufri Bolkiah Tutong Brunei back in the 70s and 80s. He was stern yet kind but all his students loved him. Reminiscing the good old days, and as close family friends brings back wonderful memories for us. Although the family moved to Sydney, thankfully we are always in touch. He will be dearly missed but never forgotten by us. May his soul rest in eternal peace, Amen.*
