“ *My grandmother is someone that I hold dear to me, she was always kind and made every individual grandchild feel so special and loved. I've always felt her eternal and unconditional love. She was so thoughtful she would always remember my birthday bring over a sponge fruit birthday cake. She would even kept the cards I made her years ago from when I was a small child, she truly had an amazing heart. I admired her strength, intelligence, passion and spirit. She was full of life, and lived a fulfilled life with family and friends. She was the best grandmother. I hope you are together with grandfather and dad. You will always be in my heart and I will see you again one day. I love you, Grace.*
