“不知道该说些什么，惊闻Wes金先生猝然离世，有起初的震惊感到心痛，很遗憾没有参加您的葬礼。作为在ITIC您亲自教授过的学生，我看到您总是很忙，无论事无巨细，都事必躬亲，您每天都需要喝很多咖啡来提神，因为您太累了，您经常说你每天只睡四五个小时，剩下的时间基本用在工作，您还告诉我们，我们要学习日本人的服务，德国人分认真与守时，中国人的勤劳。作为澳洲华人IT界的领袖人士和杰出的代表，您踌躇满志，想有一番更大的作为，可惜您就这么突然离开我们了。明天就是中国传统节日清明节了，老师您太累了，您就在那边好好休息吧，安息吧，老师！”

“澳洲 IT 界失去了一位伟大的人，少了一位杰出的导师。
我到现在都不愿意相信这是真的，Wes 哥真的离开我们了。他乡遇故知，而且是给予人生指引的导师，往事历历在目。
一切都太突然了，之前上 Wes 的 CCNA 课程，幽默风趣的言谈，深入浅出的讲解，都给人留下了很深的印象，我们提出课程之外的要求，Wes 哥也都会尽可能的满足。
拿到 CCNA 证书的时候还说，拿着 NA 证书和 Wes 哥合影太丢人了，至少拿了 NP 证书再和 Wes 哥合影，不料 NP 马上就要去考了，想合影，现在却再没这个机会了。
当大屏幕上播放 Wes 的照片回顾其一生，当 *Take Me To Your Heart* 的音乐响起，泪水就止不住的往下流。
Take me to your heart, take us to your heart, Wes 哥帮助那么多人走上了 IT 的道路，心里装了太多的人，今天看到那么多来自不同国家的人都来送 Wes 哥最后一程，切身感到 Wes 哥桃李满天下，真的值得我们骄傲。
在墓地，看到 Wes 哥入土为安，大家最后献花告别，突然意识到，这真的就是永别了。好在墓园离市区不远，Wes 哥会一直和我们陪伴在同一座城市，有空就可以常来看看他。
Wes 哥，你真的太累了，需要好好休息了，你的嘱咐和教诲，我们会铭记于心的。
愿这朵白花，带着我无限的思念，伴你长眠，Wes 哥一路走好。
Thank you Wes for guiding me onto this bright career path. I will be diligent, dedicated and unrelenting until I reach the optimum. May you rest in peace. You are always in my heart, forever.

With Love

“ Dear Wes

It was with great honor and regret that we saw you off today. I am grateful that I was able to share the office with you for the last 8 months, to witness & experience your lovely smile, kind jokes and optimistic spirit. Your sudden passing away has taken away a piece of me - I had never perceived this coming even in my widest dreams. We had business plans for a long term co-operation, but you left, you must be tired and wish for a long rest.

You work too much Wes. As much as I know you love your job, and you have a huge vision, but you neglected what is the most important - your physical temple. Now, you choose to leave, none of us can have a piece of your precious time any more, you have it all for yourself, is that part of you subconsciously want? Please don't lose your smile, your kindness and your big heart in heaven, hope it's a even better place than we imagined.

I remembered every night when I leave the office (doesn't matter how late it is), you always joke with me: "Linda, it's too early"... Now, it's time for me to say to you: "Wes, you are too early" and I wish it is a joke...

亲爱的Wes，愿你在地下好好休息。我们会远远的怀念，敬仰和关爱你。

With Love

“ 亲爱的Grace

我痛惜失去了Wes 这样一位好朋友 好榜样

上次我们一起吃饭的情景 好像就在昨天 他的人品多好啊 把每一份菜里最好的部分留给您和我 余下的留给自己； 为了自己的梦想 勇猛精进 不懈追求 是我的好榜样 他微笑的面容历历在目。 人生无常 敬请节哀 不要太伤悲 伤身喔 请相信 他一定在天上 看着爱着您和孩子 希望您们的每一天健康平安吉祥！

大概是天上的菩萨太忙了 所以阿弥陀佛请善人Wes到天上去当菩萨 承救众生去了 我敬诵<地藏经>回迥给他 祝福他！

很遗憾明天早上 我在昆士兰不能来送别 下周六回来后 定会与您联系

我的心一起陪您渡过这段难忘的日子 相信您一定很坚强！

“ *My dearest friend Weiz
Words cannot express the heartache and pain we are all feeling
with your sudden loss.*

*You were a gentle soul, kind hearted and selfless. It was never
about you.. always about helping others achieve the unachievable.
You have shaped so many lives, empowered so many careers and
we are all better for having you a part of it.*

*You will be missed by so so many people in more ways than you
can ever imagine.*

*Now off you go ensuring those angels in heaven are certified. I
would expect nothing less than a CCIE R&S and perhaps the CCIE
collaboration too*

This is not goodbye... But until we meet again

*Lots of love
Linda*

“ Dear Wes,

You are the Greatest Mentor I had in my life, as you have taught me that, with hard work and a positive approach, any DREAM is achievable. Many of your quotes and sentences will echo forever in my mind reminding me that there are no Secrets to Success, as there are no Excuses to Failure... Practice, Practice, Practice is all there is.

Having you in my Life has been a deep Honor and a sincere source of Inspiration and forever will be.

*With Infinite Gratitude,
Valerio.*

“ Dear Uncle Jin

I still remembered the first time we met in august, last year. You treated me a lunch with steak and beer at a bistro near your company. You explained to me the pathway to IT career and arise my hope to study and work in Australia.

It's too late to tell you that I received offer from UNSW last month and decide to come to Sydney in July. But i believe your spirit will long live among colleagues and students in ITIC, and they will share the spirit with more new comers.

“ Dear Wes,

It had been an honor to know you and work with you in more than a decade. I will always remember your smile and your kindness. The memories of you will never die, nor will they fade as time goes by.

I have enjoyed every moment of working with you in discussion of challenging and difficulty of the business, and sharing your success. In my life, I have never came cross anyone like you so dedicated and passionate about helping others, especially those students who just finished uni, no working experience, no-certification, don't know where to start and desperately asking for help.

You have told me that you are in the helping people business and you want to build up ITIC as the main IT platform in Australia for IT professional, new or experienced, and help them to reach their potential and realize their dream. From time to time, when you heard a student getting a job or being promoted to a high positon, you are always so excited and happy to share with us. Through Your smiling face I deeply believed that you are really caring them and enjoying every moment of their success. You said once that ITIC is a big family with quality students from many different county and you are proud of that. Yes you are right, it is a big family and to most of students you are not just a friend, teacher, mentor, you are brother, uncle and father.

Dear Wes, rest in peace and know that you will always be in our hearts....

兄弟，安息吧！一路走好！

“ Hi Wes,
I remember my first day when you were initially teaching CCNA at the first place, you would describe packets like the post office delivering letters.

Prior to this you would say we need to get CCNA and CCNP to get 100K job, talking about your experiences, and then again, we need to pass CCNA and CCNP to get 100k job. You welcomed all students from all walks of life with open arms and great enthusiasm by always being positive and encouraging. As time went by, we went from student and teacher relationship to friends and then good friends. The company you had built ITIC was more like a second family/ home, when going there we would not feel like strangers. I will miss you greatly my friend and you will never be forgotten and will be remembered as the man you were.
